Projects

Medical Clinic Landing Page

A modern landing page designed for a medical clinic, focusing on ease of use and clear presentation of information. It includes sections for services, doctors, appointment booking, and contact methods, with a responsive design that works efficiently on all devices.

- **Tools :** HTML , CSS , JS , Figma , github
- **Github link :** <https://github.com/Nour-Mohamed1111/clinicTemplate>
- **Live Demo :** <https://drmaher-clinic.vercel.app>

Professional Personal Portfolio

A personal portfolio website showcasing my skills and projects in front-end development, with a modern design and smooth user experience. It supports multiple languages and is fully responsive across all devices.

- **Tools :** HTML , CSS , JS , Figma , github
- **Github link :** <https://github.com/Nour-Mohamed1111/MainPortfolio>
- **Live Demo :** <https://rosecode.vercel.app>

High School Admission Clone

A Clone of the electronic admission site for high school, with a simple and organized user interface to facilitate data entry and selection. The project focuses on improving user experience and providing a modern, responsive design.

- **Tools :** HTML , CSS , JS , Figma , github
- **Github link :** <https://github.com/Nour-Mohamed1111/tansikcloneproject>
- **Live Demo :** <https://tansikcloneproject.vercel.app>

Website Archiving App with Filtering System

A full CRUD project for managing links, using JavaScript to handle adding, deleting, and categorizing websites dynamically. The interface supports an advanced filtering system to display specific categories, with data-saving functionality ensuring no data loss even after closing or reloading the browser

- **Tools :** HTML , CSS , JS , github
- **Github link :** <https://github.com/Nour-Mohamed1111/WebsiteSaver>
- **Live Demo :** <https://website-saver-v1.vercel.app>

My Previous Personal Website

My previous personal website, built during high school, had some issues but served as a starting point. It includes several pages showcasing some projects and experiments I worked on, with a simple design reflecting my early learning in web development, and it represents an important first step in my programming and design journey.

- **Tools :** HTML , CSS , JS , Figma , github
- **Github link :** <https://github.com/Nour-Mohamed1111/OldPortfolio>
- **Live Demo :** <https://oldportfolio-nourmohamed.vercel.app>

Android Device Management Tool

A desktop tool developed using Python to simplify management and maintenance of Android devices, offering advanced features such as system reset and custom commands to improve device control. It has been used in practical scenarios and contributed to generating income during my studies.

- **Tools :** Python, Figma , github
- **Github link :** <https://github.com/Nour-Mohamed1111/AndroidFormat-App>

Simple Adidas Interface

A simple interface for Adidas, built during my early web design projects as part of my learning process.

- **Tools :** HTML , CSS , github
- **Github link :** <https://github.com/Nour-Mohamed1111/AdidasTemplate>
- **Live Demo :** <https://adidastemplate.vercel.app>

Simple Apple Interface

A simple interface for Apple, built during my early web design projects as part of my learning process.

- **Tools :** HTML , CSS , Js , github
- **Github link :** <https://github.com/Nour-Mohamed1111/AppleTemplate>
- **Live Demo :** <https://adidastemplate.vercel.app>

YouTube Video Downloader Tool

A Python-based project that allows users to download any YouTube video easily on their computer, with options to choose the preferred quality and format.

- **Tools :** Python , github
- **Github link :** <https://github.com/Nour-Mohamed1111/YoutubeDownloader-Tool>

Technical Skills

- **Front-end:** CSS3, HTML5, Bootstrap, JavaScript, React js
- **Programming Languages:** C, Python, JavaScript
- **Other:** Git&Github , Visual Studio Code, Figma , Adobe Photoshop , Adobe Premiere , Adobe AfterEffects , Microsoft office Package , Touch Typing

Soft Skills

- Communication
- Time management
- Teamwork
- Presentation Skills
- Problem-Solving
- Adaptability
- Negotiation

Languages

- Arabic: Native
- English: B1
